INSPIRING MINDS
TRANSFORMING LIVES

Welcome to Canadian University Dubai

Canadian University Dubai (CUD) was established in 2006 to bring Canadian-inspired education to the dynamic city of Dubai. CUD is one of the leading higher education institutions in the United Arab Emirates (UAE) and is ranked #1 in Dubai by QS World University Rankings 2025.

CUD is internationally recognized for our commitment to quality and credibility, our wide range of academic programs, and our positive, inclusive, multicultural learning environment. Our transfer to Canada options offer you the opportunity to start your degree at CUD and graduate from one of our Canadian or other international partner institutions.

CUD is licensed by the Ministry of Education, UAE, and all our degrees are accredited by the same Ministry. Our curriculum is also recognized and accredited by leading global professional bodies. Our internationally qualified faculty provides exceptional teaching, learning, and entrepreneurial experiences, empowering students to reach their full potential.

Why Canadian University Dubai

Canadian Academic Excellence in Dubai

CUD delivers Canadian-inspired education renowned for its internationally recognized quality and credibility. At CUD, you will experience the unique atmosphere, culture, and values of the UAE while benefiting from an education based on the esteemed Canadian curriculum.

City Walk Campus

Located in the heart of downtown Dubai, our state-of-the-art academic and recreational facilities provide a convenient and inspiring environment for students.

Graduate in Canada

As a portal to Canadian education, CUD offers you the opportunity to start your degree in Dubai and graduate from one of our esteemed international transfer partners in Canada and beyond.

18 Accredited Programs and 30+ Majors

CUD offers a diverse range of undergraduate and graduate programs across disciplines such as Business & Management, Architecture & Interior Design, Communication & Media, Engineering, Applied Science and Technology, Creative Industries, Environmental Health Sciences, and Social Sciences. All our programs are accredited by the Ministry of Education, UAE.

Diverse Community

At CUD, we pride ourselves on fostering a positive multicultural environment that enhances teaching and learning. Our diverse student body represents over 120 nationalities, and our international faculty brings innovative teaching styles and philosophies from around the world into our classrooms.

Internationally Recognized Faculty

Our faculty members are renowned experts and leaders in their fields, bringing a wealth of global experience and knowledge to CUD. They are celebrated for their groundbreaking research, innovative teaching methods, and significant contributions to their respective disciplines, ensuring that our students receive an education that is both cutting-edge and internationally respected.

YOUR PORTAL TO
CANADIAN
EDUCATION

Start Your Degree in Dubai, Transfer and Graduate in Canada

CUD has established a wide range of partnerships with higher education institutions in Canada, allowing students to transfer credits to programs at our partner universities. We also support student mobility across Europe and Asia through additional agreements.

Through these partnerships, CUD students will spend one or two years in Dubai before transferring to complete their studies and graduate in Canada. Many students have successfully transferred to top Canadian universities like the University of Toronto, McGill University, and the University of British Columbia.

Your Portal to Canadian Education

With collaborations spanning from coast to coast across Canada, students at CUD can complete their studies with one of our numerous Canadian academic partner institutions.

Hear from Our Students

"The Healthcare Management Program gave me a very good base to further my studies in Canada. The unique feature of the program was that it integrated the environmental aspect with medical management training. We were able to visit healthcare facilities and see for ourselves how waste management disposal was integrated with the management of healthcare. I am grateful to CUD for giving me this opportunity to broaden my studies."

Michael Ghannoum
 Masters in Healthcare Management
 McGill University, Montreal, Quebec

"I completed a five-year Architecture degree program at CUD and decided to further my studies with a postgraduate program in Urban Design in Canada. It was a very easy transition for me. Canada is a welcoming country and has many similarities with the multicultural atmosphere I experienced during my time in UAE. In terms of education, I have definitely benefited from my time at CUD."

Mahsa Momenzadeh
 Masters in Urban Design
 University of British Columbia,
 Vancouver, BC

"As I always wanted to study overseas, CUD was the obvious choice while studying in UAE because they are the only University here with credit and transfer facilities to Canada, which was my preference. I am the first in my family to study abroad which gives them a tremendous sense of pride."

Sarang Ahuja
 Bachelor of Commerce
 University of Toronto, Ontario

Eligibility to Work in Canada

By transferring to Canada to complete your degree, you can be eligible for the Post Graduation Work Permit Program. This allows a graduate with Canadian credentials to secure a work permit for up to 3 years. This program also helps graduates qualify for permanent residency.

Discover your path to success with CUD's 18 accredited programs, international faculty and numerous academic and personal growth opportunities.

Programs

Our four schools and faculties—School of Architecture and Interior Design; Faculty of Communication, Arts and Sciences; School of Engineering, Applied Science and Technology; and School of Management—have been built to provide you with a comprehensive and enriching academic experience.

School of Architecture and Interior Design

The School of Architecture and Interior Design strives to provide students with the knowledge and tools to become design leaders in the post-carbon era.

- Bachelor of Architecture
- Bachelor of Science in Interior Design

INSPIRING MINDS, TRANSFORMING LIVES

Our campus is conveniently located in the heart of downtown Dubai, within the iconic urban destination, City Walk. It spans two architecturally distinct buildings, equipped with the latest learning technologies and resources, creating a space that inspires creativity, innovation, and entrepreneurship amidst a vibrant business community.

Experience the CUD Difference

Our Management Building and CUD HUB Building combine architectural excellence with technological advancements, offering an ideal setting for world-class academic success.

Education here transcends traditional classrooms, empowering students to tackle professional and societal challenges. The HUB is also home to the University's Incubator, a dedicated space for students to bring new ideas to life and explore their entrepreneurial potential.

Our City Walk Campus Highlights:

- State-of-the-art Laboratories
- Research Facilities
- Media, Music & Podcast Studios
- High-tech Classrooms
- Learning Resource Centre
- Counselling Services
- Health Clinic
- CUD Incubator
- Student Success Centre
- Food Courts
- Dining & Entertainment
- And more!

Study in the Heart of Downtown Dubai @ City Walk

Student Life

CUD is a vibrant campus community that is home to over 120 nationalities. Students are encouraged to explore their interests through a range of extracurricular activities, to help them gain a well-rounded educational experience that will boost their personal and professional profile.

The CUD HUB is a dynamic space that hosts gatherings and activities for several student clubs, as well as cultural performances and business networking events. All social and recreational activities are designed to provide an engaging and enjoyable platform to develop students' creativity, innovation, interpersonal and leadership skills, to build their pathway towards a successful career.

Academic & Social Clubs

Our diverse range of clubs includes psychology, engineering, environmental sustainability, music, dance, humanitarian efforts, sports, and more.

"Having completed both my BBA and now pursuing my MBA at CUD, I can confidently say that the campus life, connections I've made and supportive academic community have made my journey truly enjoyable, making CUD feel like a second home."

Safa Serhoud
MBA

"CUD has become so much more than a university to me, it is like my home."

Sultan Alamoudi
BBA, Accounting & Finance

"Entrepreneurship is an important part of who I am, as it brings innovation and creativity into my life."

Adelina Salihova
BA, Creative Industries

"The Mechatronics program gives me a practical understanding of the elements of modern technology."

Laith Mohammed
BScEE, Mechatronics

"My time at CUD has been transformative for my career. The diverse community and expert faculty have provided me with amazing work opportunities and practical experiences that are leading me to success."

Caitlin Gonzales
BBA, Accounting and Finance
